CF-SPIS (Creative Facts & Swot Programs International Seminary) endeavor to provide ameliorate perspectives, effective background and supportive for our students/philomaths. The Seminary Forms a clever thinkers & team workers into responsible leaders and prosperous postgraduates. And together we succeed.

PROGRAM DONATION FOR HONOURING TEACHERS AND CLIENTS, 2024.

All of the courses listed above in the swot program offers free credit of study for students. Perhaps, there are some influences of providing an honour to the tutors and clients most especially to struggle

their efforts and keep on with the good works. It's basically understandable as everybody know it's not possible for a teacher to spend his/her strength without liking something to move on. So the school management decided that students should pay a very cheap amount of money for the great purpose in this part so as to continue the process in successive demonstration. The payment is done once per semester as the seminary is still working for the payment session, and would likely give a chance for a single payment per yearly next year.

And as for the donation fee will be based on depatments as follows;
